

Belmont High School
School Site Council Minutes
August 9, 2007

- I. **Call to Order:** Meeting called to order by Principal Gary Yoshinobu at 3:45 p.m.
- II. **Roll Call:** Quorum not met. This was an informational meeting. Five members present: Deborah Chapman, Afrodita Fuentes, Bong Le, Maria Romero, and Gary Yoshinobu. Others present: Dalton Cole.
- III. **Minutes:** The minutes of July 12 were read.
- IV. **Budget Update/ QEIA:** Mr. Cole reported that this year's SSC will be integral in creating the plan for the use of QEIA (Quality Education Investment Act—SB1133). The plan will be tied to the school's update of the Single Plan for Student Achievement, which will be due sometime in the spring.
- V. **Strategies for making AYP:** Mr. Cole shared district memo 3515.1, which identifies strategies that have been effective in enabling Title I schools to close the achievement gap and exceed Adequate Yearly Progress (AYP) targets. He suggested that SSC use identify and use some of these strategies in planning the school programs that use categorical funds. The cornerstone of the No Child Left Behind Act is to use categorical resources to support strategies that have a research base and that have been proven to be successful.
- VI. **Adjournment:** Mr. Yoshinobu adjourned the meeting at 4:20 p.m.
